

## **Worksheet 1**

### **Q1: Arrange the given sentences into a coherent paragraph.**

#### **Set 1: Digital Propaganda**

1. Topic Sentence: Digital propaganda has become a powerful tool for shaping public opinion in the modern information age.
2. Through the strategic use of social media algorithms, misleading content can be amplified to influence political ideologies and public discourse.
3. Misinformation campaigns exploit psychological biases, making it difficult for individuals to distinguish between facts and manipulation.
4. As a result, societies experience increased polarization, distrust in institutions, and a fragmented information landscape.
5. Concluding Sentence: To counteract digital propaganda, media literacy and fact-checking initiatives must be prioritized to empower individuals with critical thinking skills.

#### **Set 2: Rising Sea Levels**

1. Topic Sentence: Rising sea levels pose a significant threat to coastal communities and ecosystems worldwide.
2. One of the primary causes is the accelerated melting of polar ice caps due to global warming.
3. Thermal expansion, where seawater expands as it warms, also contributes to the gradual increase in ocean levels.
4. Coastal cities face severe consequences, including increased flooding, loss of habitat, and economic damage to infrastructure.
5. Concluding Sentence: Unless urgent climate policies are implemented, rising sea levels will continue to endanger millions, demanding immediate global action.

#### **Set 3: Educational Stratification Leads to Social Stratification**

1. Topic Sentence: Educational stratification perpetuates social inequality by limiting opportunities for marginalized groups.
2. Unequal access to quality education results in disparities in employment, income, and upward mobility.
3. Privileged students often benefit from better resources, experienced teachers, and advanced learning environments, widening the socio-economic gap.
4. This cycle of inequality leads to long-term social divisions, reinforcing class hierarchies and limiting social mobility.
5. Concluding Sentence: Addressing educational disparities through policy reforms and equitable resource distribution is essential to breaking the cycle of social stratification.

### **Q2: Choose the best answer.**

**1. Which of the following is the best thesis statement for an essay about the effects of social media on young adults?**

A. Social media is very popular these days.

- B. Many young adults use social media every day.
- C. Social media has changed the way young adults communicate, build self-image, and engage with the world.
- D. There are different types of social media platforms.

**2. Identify the best topic sentence for a paragraph discussing the dangers of texting while driving.**

- A. Many people like to text their friends.
- B. Texting while driving is dangerous because it distracts the driver and increases the risk of accidents.
- C. Texting while driving is illegal in many places.
- D. Some people can't live without their phones.

**3. Which of the following is the most effective thesis statement for an argumentative essay on school uniforms?**

- A. School uniforms help promote equality, reduce distractions, and improve discipline in schools.
- B. School uniforms are a part of school life.
- C. Some students like school uniforms, and some do not.
- D. Uniforms are usually blue or gray.

**Q3: Fill in the blanks.**

1. A strong thesis statement should be \_\_\_\_\_, meaning it clearly presents the writer's position and the main points to be discussed.
2. While a thesis statement outlines the central argument of an entire essay, a \_\_\_\_\_ sentence introduces the main idea of a single paragraph.
3. In academic writing, a thesis statement typically appears at the \_\_\_\_\_ of the introduction to help guide the reader through the essay.
4. A vague or overly broad thesis lacks clarity. For instance, "Technology is important" is too \_\_\_\_\_ to serve as a strong thesis statement.
5. A good topic sentence is usually followed by \_\_\_\_\_ details and examples that support the main idea of the paragraph.

**Q4: Break the given thesis statements into its 3 components (topic, stance/claim & reasons).**

1. Although remote work promises flexibility, it often blurs the line between personal and professional life, increases employee burnout, and weakens team collaboration.

2. While AI-generated art challenges traditional notions of creativity, it also democratizes artistic expression, accelerates production, and forces us to redefine authorship in the digital age.

3. The glorification of hustle culture in modern society undermines mental well-being, devalues leisure, and promotes unrealistic standards of productivity.

**Q5: Write a clear, arguable, and specific thesis statement about the topics given below.**

1. The impact of fast food on health

---

---
