

Q1. Use one of the following methods to narrow down the given broad themes into a more specific topic:

- **By Gender:** Focus on how the topic relates to a specific gender (e.g., *Climate Change and its impact on women*).
- **By Geography:** Limit the topic to a specific region, country, or city (e.g., *Technology use in rural India*).
- **By Age Group or Demographic:** Choose a specific age group or demographic (e.g., *The impact of education policies on college students*).
- **By Time Frame:** Narrow the topic to a specific historical period or current trend (e.g., *The evolution of smartphones in the last decade*).

Themes:
